

www.CalFireTaxInfo.org

An essential tax information resource for victims of the North Bay fires

As you begin to pick up the pieces, you may have questions:

I've lost my home. Do I still have to pay property tax?

My sales tax records burned with my business. What do I do?

I filed an extension. What if I missed the October 16 deadline?

What do I need to know about reporting my loss to the IRS?

Find answers to your tax-related questions at www.CalFireTaxInfo.org. This site is provided by the North Bay Chapter of the California Society of Enrolled Agents (CSEA). CSEA members are available at no charge to provide guidance during this difficult time.
